

*Resolution of the County Board  
Of  
Kankakee County, Illinois*

**RE: BID AWARD AND CONTRACT WITH PIGGUSH SIMONEAU FOR REPAIRS TO THE FIRE ESCAPE AT THE COUNTY ADMINISTRATION BUILDING**

**WHEREAS**, the Kankakee County Administration has been made aware that the fire escape to the county administration building is in need of repairs, and architect Bob Bohlmann presented a report to the county concerning the condition of the said fire escape in November, 2004, and he further recommended that a mechanical engineering firm be hired on a time and material basis to determine the extent and nature of needed repairs to the said fire escape, and the firm of KJWW Engineering was hired to do a study on the condition and recommendation as to any necessary repairs of the said fire escape, and has made such a study which includes a determination as to the nature and extent of the necessary repairs, and

**WHEREAS**, a bid package, with specifications as provided from the KJWW Engineering study for repairs to the fire escape at the county administration building, was authorized to be advertised for sealed bid by the Development and Operations Committee at its regularly scheduled meeting of December 27, 2006, made a finding that such repairs to the said fire escape were necessary for the safety of county employees and the general public, and such repairs were advertised for sealed bids, and

**WHEREAS**, the Development and Operations Committee, at its regularly scheduled meeting of April 24, 2007, opened and read the sealed bids received for making repairs to the fire escape at the county administration building, there being two bids received, and after review, discussion and consideration, recommended the acceptance of the lowest bid, which was from Piggush Simoneau, in the amount of fifty one thousand six hundred sixty four dollars (\$51,664.00) and recommended entering into a contract with Piggush Simoneau to make said repairs with the funding to come from the building maintenance budget.

**NOW, THEREFORE, BE IT RESOLVED BY** the Kankakee County Board that, after review, discussion and consideration, the lowest bid received for making repairs to the fire escape of the county administration building, which was from Piggush Simoneau in the amount of fifty one thousand six hundred sixty four dollars (\$51,664.00), shall be accepted and a contract awarded, and the County Board Chairman is authorized to enter into such a contract for making said fire escape repairs in the said bid amount with Piggush Simoneau, with the funding to come from the building maintenance budget.

ADOPTED and Passed this 8<sup>th</sup> day of May, 2007.

  
Karl Kruse, Board Chairman
