

Kankakee County

Electric Aggregation

History: Following the passage of a voter Referendum, Kankakee County contracted to procure electric supply in bulk for residents and small business owners. The average participating Kankakee County resident enjoyed savings on their ComEd bills for many years.

The County is renewing our program with Chicago-based MC Squared Energy Services. Ratepayers (in unincorporated portions of the County) will be charged exactly the ComEd rate for zero rate risk. The County will receive a Civic Contribution for local projects at zero added cost to residents and the County.

Notices will be mailed to residents and small businesses on July 6, 2020. Some accounts will move back to ComEd, others will stay with MC Squared, but the net effect for all is identical: all pay the same rate! The ComEd rate recently dropped to an annualized 6.913¢ per kWh through May of 2021. To learn more about the ComEd rate, visit www.PlugInIllinois.org, a site managed by the Illinois Commerce Commission.

1. **If your notice says, “Electric Aggregation Notice,”** your account will be switched to MC Squared and you need do nothing. You will receive a ComEd switch notice in July confirming the change. You can choose not to participate by: calling 888-423-1394 or returning the pre-paid opt out form you received.
2. **If your notice says, “Informational Content Only: Account Returns to ComEd,”** You need do nothing and your account will move back to ComEd. You are still considered part of the Aggregation Community. In July you will receive a notice from ComEd confirming your drop back to ComEd service.
3. **If your notice says, “Remain at ComEd, No Action Required,”** your account will remain at ComEd, and you need do nothing.
4. **If your notice says, “Electric Aggregation: Opt In Notice,”** your account will remain with your current privately-contracted supplier; you need do nothing, but you may take action to join the program.

Program Benefits:

- Guaranteed at the ComEd rate, with zero risk of ever paying more than ComEd rate
- No hidden fees, no termination fee, flexibility to join or leave the program
- The County receives an annual Civic Contribution for local projects at zero increased rate to you and the County.

No one from MC Squared, ComEd, or the County will ever visit your home or call you to enroll. If a solicitor claims to be the County supplier, MC Squared, or ComEd, take their information and report the incident to the ICC at www.icc.illinois.gov/complaints. Never reveal your ComEd account number or allow a solicitor to view your ComEd bill unless you are certain you wish to enroll with that supplier and have read all terms and conditions.

To contact the new supplier MC Squared: call 888-423-1394 Monday through Friday, 8 am to 5 pm or email KankakeeCo@mc2energyservices.com.

Have even more questions or special issues? Email sdurling@NIMEC.net or leave your name and callback number at 800-727-3820 and someone will reach out to you shortly.
