Form PTAX-342 General Information

What is the Disabled Veterans' Standard Homestead Exemption (DVSHE)?

The Disabled Veterans' Standard Homestead Exemption (35 ILCS 200/15-169) provides an annual reduction in the equalized assessed value (EAV) of the primary residence occupied by a disabled veteran on January 1 of the assessment year. The amount of the exemption each year depends on the percentage of the veterans' service-connected disability as certified by the U.S. Department of Veterans' Affairs. A veteran with at least a 75% service-connected disability will receive an annual \$5,000 reduction in EAV, or a veteran with at least 50%, but less than 75% service-connected disability will receive an annual \$2,500 reduction in EAV.

Who is eligible?

To qualify for the disabled veterans' standard homestead exemption, the veteran must meet the following requirements.

- Be an Illinois resident who has served as a member of the U.S. Armed Forces on active duty or state active duty, Illinois National Guard, or U.S. Reserve Forces, and not dishonorably discharged.
- Have at least a 50% service-connected disability certified by the U.S. Department of Veterans' Affairs.
- Own and occupy the property as the primary residence on January 1 of the assessment year.
- Have a total EAV of less than \$250,000 for the primary residence, excluding the EAV of property used for commercial purposes or rented for more than 6 months.

An unmarried surviving spouse of a disabled veteran can continue to receive the DVSHE on his or her spouse's homestead property or transfer the DVSHE to a new primary residence. To qualify, the surviving spouse must meet the following requirements.

- Sell the disabled veteran's previous homestead property before transferring the DVSHE to his or her new primary residence.
- **Note:** The DVSHE can only be transferred one time.
- Own and occupy the property as the primary residence and hold a legal or beneficial title to the property on January 1 of the assessment year.
- Have a total EAV of less than \$250,000 for the primary residence, excluding the EAV of property used for commercial purposes or rented for more than 6 months.

Note: Homestead property that is rented by a disabled veteran or surviving spouse does not qualify for this exemption.

Do I need to provide documentation with this form?

The CCAO may require you to provide documentation to verify that you are eligible for this exemption. A first-time applicant will need to provide a Department of Defense DD Form 214, certified by the county recorder, recorder of deed's, or Illinois Department of Veterans' Affairs, and a Disability Certification Letter from the U.S. Department of Veterans' Affairs for the current assessment year. A surviving spouse applying the first time for the DVSHE or transferring the DVSHE to a new residence will also need to provide the disabled veteran's death certificate and proof of ownership.

When will I receive my exemption?

The year that you apply for this exemption is referred to as the assessment year. The county board of review, while in session for the assessment year, has the final authority to grant your exemption. If your exemption is granted, it will be applied to the property tax bill paid the year following the assessment year.

Where can I get assistance and where must I file?

You (including a surviving spouse) must file this application each year with the CCAO by the due date to receive this exemption. Contact the CCAO at the address and telephone number shown below for assistance and information with filing this application in your county.
